SKILLS

RhinoCeros 3D | Blender | ShapR3d | Autodesk Fusion 360 | Keyshot | Figma | Adobe XD
Adobe Photoshop | Ableton Live | Final Cut Pro | LogicPro | DaVinci Resolve | Procreate

EXPERIENCE

I-AM Associates Product Design Intern Beyoğlu Istanbul July 23 - Sep 23

- I have had the opportunity to participate in the design stages of various national and international companies websites during my 2-month internship. Throughout this period, I worked closely with the design team on various processes such as creating wireframes, making web screens mobile-responsive, and building prototypes. Additionally, I also had the chance to experience processes closely related to business, such as participating in international business meetings and workshops organized for clients.

Sultan Giyim Sale and Marketing Person Kocasinan Kayseri Aug 21 - Sep 21

- I had the opportunity to gain experience in various areas, including engaging closely with clients, understanding their needs, determining how a product should be marketed to them, conducting product searches in the market targeting the desired customer base, and analyzing sales.
